

WELCOME TO BAINBRIDGE ISLAND

Seattle's skyline, Mt. Rainier, the Olympic Mountains and the occasional pod of orcas are some of the spectacular backdrops of the island.
Salmon streams, farms, trails, and village-like neighborhoods are found amid serene inlets and a rolling landscape of fields and woodlands.
Bainbridge is home to artists, writers, galleries, artisan wineries, restaurants, and distinctive shops with cultural events year-round.
Come visit!

About this map

This map illustrates parks, trails, bike routes, facilities and destinations throughout the Island.
Whether planning a day hiking across the Island, exploring tide pools, testing yourself on the Chilly Hilly bike route or visiting the nationally recognized Bainbridge Historical Museum, this map contains links to Island resources to help plan your 'Island-time'.
